

RoHS/REACH Declaration of Conformity

Declaration of Conformity – RoHS

We hereby confirm that our products fully comply with the RoHS Directives 2011/65/EU and 2015/863/EU of the European Parliament and the Council on the restriction of the use of certain hazardous substances in electrical and electronic components and equipment, and that, in accordance with Annex II of the Directive, our products do not contain any of the following substances in concentrations above the maximum permissible values, measured in homogeneous materials and expressed in weight percent, i.e. <0.01% of cadmium, <0.1% of lead, mercury, hexavalent chromium (Cr6+), polybrominated biphenyls (PBB), polybrominated diphenyl ethers (PBDE), diphthalate (DEHP), butylbenzyl phthalate (BBP), dibutyl phthalate (DBP), diisobutyl phthalate (DIBP).

Bahr Modultechnik GmbH hereby declares that all our products are manufactured in conformity with the RoHS Directive.

Declaration of Conformity – REACH

As a manufacturer of positioning systems, Bahr Modultechnik GmbH is a “downstream user” within the meaning of the REACH Regulation 1907/2006. Obligations relating to the manufacture and placing on the market of substances/chemicals for pre-registration and registration (ECHA) are not applicable to us. Our products are “articles” and therefore cannot be defined as substances or preparations. Furthermore, no substances are released by our articles under normal and foreseeable conditions of use. Therefore, Bahr Modultechnik GmbH is not subject to compulsory registration and is not obligated to create safety data sheets. In order to guarantee ongoing supply of reliable and safe products to our customers, we ensure that our suppliers meet all requirements with regard to chemical substances and materials, so that no substances from the Candidate List of Substances of Very High Concern (SVHC) are used in the manufacture of our products. <http://echa.europa.eu/candidate-list-table>. In this context, we adhere to the obligations of the “ECHA Guidance for Downstream Users”.
